# Ambassadors Launch Event

10/21/2023, Malotice 106

This event is planned as introduction of Ambassadors of Climate Pact to public and launch of their yearly activities. It will serve as in person meeting for existing ambassador community, potential new members including invitation of climate experts, influencers and journalists as an intro of year program. The agenda consists of climate change expert session for all participants, as well as opportunity for networking and promoting the Climate Pact.
